

Eco and Earth Friendly Products

FOR THE ENVIRONMENTALIST IN ALL OF US!

IN SMALL OR BIG WAYS, WE CAN DO OUR PART. HERE ARE JUST A FEW IDEAS TO GET YOU STARTED AND INCORPORATE GREEN PRODUCTS INTO YOUR PROMOTIONAL PORTFOLIO AND ULTIMATELY YOUR BRAND.

Totes and Bags

Made from certified 100% recycled non-woven PET (pop/water bottles), Organic Cotton or recycled felt. Lots of styles and fabric make up to choose from.

Desk/Office Items

Made from recycled cardboard, recycled microfibre, plastic, bamboo, renewable cork and biodegradable materials.

54 Square Inch Logo Shown

Recycled Microfibre Cloth -

Cleans and shines everything!
Anti-microbial and hypoallergenic. Use on all your lenses, mirrors, jewellery, cameras and device screens. Won't scratch. Use wet or dry. Available in various sizes and shapes. Dye-sublimated for full colour graphic print. Packaged in a business sized vinyl pouch.

Seed Paper Items -

Plantable postcards, business cards, bookmarks, matchstick gardens, greeting cards and seed bombs. Embedded with wildflowers or herbs, no waste is left behind just beautiful flowers and herbs.

Banana Paper and Stone Paper Products- several styles to choose from with full colour graphics. Paper grown in Costa Rica, books made in Canada. 100% recyclable and compostable.

Business

Disrupt® Recycled Compu-Messenger - Disrupt the status quo with a bag that is environmentally friendly without sacrificing quality and function. This EcoSmart bag is not only made from recycled bottles and recycled leather, but is loaded with organization and features for the latest technology while remaining PVC free. Compu-Messenger can hold your 15" computer and other essentials. Comfortable messenger design has a dedicated iPad/tablet compartment along with separate iPad Mini pocket. Holds all of your essentials including iPhone in a lined pocket and other business accessories. Compact design has integrated, zipped side water bottle pocket that can be tucked away when not in use. Also features trolley sleeve.

Trash Talking Recycled Tablet Sleeve - Made from certified 100% recycled 140g non-woven PET. Compatible with iPad, Kindle Fire HD 8.9", Nook HD+, or other 9-10" Tablets or eReaders. Unique "Trash Talking" graphic helps promote the EcoSmart message.

Drinkware

Drinkware made from Eco-friendly BPA plastic, PET and stainless steel.

bobble® - PET, reusable bottle, filters as you drink. Replaceable carbon filter that removes chlorine and organic contaminants in municipal tap water. 1 filter = 300 water bottles. BPA free, phthalate free, PVC free. Effortlessly sustainable. Hand wash.

Biodegradable and anti-microbial Bamboo - Tumblers, travel mugs and desk mugs.

Wearables

Ballcaps, Toques and Scarves in organic cotton or PET (recycled plastic bottles).

T-shirts, Polos, Fleece and Jackets in organic cotton, bamboo, PET or recycled polyester.

Premium Gifts

Tabletop Fireplaces - Add a gentle touch to your living space. Fueled with Eco-friendly Bio Ethanol. Self-contained, easy to assemble and quick to install. Glass can be laser engraved.
